Every curious collector of the memorable sayings of great men has probably enriched his store with Cromwell's request to be painted with all his warts. By the side of that saying let there be placed what, in posing for his bust, Balzac said to the sculptor, David d'Angeiers: "Be careful of my nose; my nose is a world!" A truly remarkable world this Balzac nose, which David is to this Balzac nose, which David is to hand down so carefully to posterity, having a deep, perpendicular furrow at its roof, being square at the end, parted into two lobes, and pierced by yery open nostrils, whereto was never seen the like in any mortal nose whatsoever. A still more remarkable nose by reason of being situated between such worlds of There is or was lately (1871) a eyes—"black diamonds illuminated by rich golden reflections"—where-Polish lady, the Countess of K-, in was a life, a light, a magnetism, a living in Paris. She wears a very sovereignty, a seer-like penetration, singular brooch. It is encircled by
